OPEN LETTER TO ALL OUR FORMER PUPILS

Dear Friends,

As the new term begins here at Risca I'd like to take the opportunity to wish all our former pupils good luck for the new academic year, in whatever way it affects you! Perhaps you are beginning a new year at college or university, or maybe your children are starting in a new school? I hope all goes well. Please remember you can keep up with your old school by following us on [Twitter](#) or liking our [Facebook page](#). You can also read the [weekly blog](#)! I know many of you do and we appreciate the support we have on social media.

If anyone would be interested in coming back to the school for a visit please get in touch. If you left more than two or three years ago there have been quite a few changes!

I would also be really grateful if anyone would be interested in coming in to talk to our current pupils about what they have done since leaving school. This is a brilliant way to raise aspirations and to help our students focus on the possibilities the future has for them. Rather than reply to this email if you contact me directly on kendaj@caerphilly.gov.uk that would be great. It could be talking to individuals, to a small group or even holding an assembly if you fancy that!

If you are planning on holding a reunion please let us know so we can publicise it, and if you'd like to start that reunion off with a tour of the school we'd be happy to help if we can.

You may know we are planning on a celebration for our 40th Anniversary in 2017 so watch this space, and if you have any ideas about marking this event please let us know.

Finally, please spread the word by encouraging others to [join our alumni network](#) or follow us on social media. Please feel free to forward this email to your friends. Thanks!

With very best wishes,
John Kendall
