

## **Ceri-Ann Morgan**

It is with great sadness that we inform you of the death of a former Risca Community Comprehensive pupil, Ceri-Ann Morgan.

Ceri-Ann came to us in 2009 and left in 2013. Her schooling was interrupted by illness but she never let this affect her adversely and it is a mark of her enormous strength and commitment that she chose to take an extra year with us to complete her studies which she did with great success.

Ceri-Ann was a delightful girl, bubbly, enthusiastic, and fun to be around. She was also very hard working and academically very able. She fought her long illness with spirit and immense dignity.

We will miss her greatly; our thoughts are with her family and friends at this very sad time.
