

Monday 6th June 2016

TO ALL PARENTS/CARERS OF PUPILS IN Y7-10

Dear Parent/Carer,

You may be aware that Wales will be playing England at football in the European Championships at 2pm on Thursday 16th June. This is an important game in the international sporting calendar, but unfortunately it falls during the working day. Many employers and institutions in Wales will be making arrangements for their staff to be able to see the game where possible and we would like to replicate this here in school for staff and pupils.

Following extensive consultation through our social media channels, we are therefore proposing to allow pupils to watch the first half here in school during lesson 5. If pupils do not wish to watch the game we will offer them a choice of alternative viewing such as an age-appropriate film.

We will also allow pupils to remain in school under supervision to watch the second half if they wish; this will begin at 3pm, which is the end of afternoon school. **If this is their preference please complete the return slip below and return it to reception by Friday 10th June.**

We have also decided to allow pupils to wear a Wales shirt (or something red) to show our support for the national team, so it will be a non-uniform day that day. Pupils are asked to please bring in £1 as usual- this will go towards a charity chosen by our new prefect team, Action For Children.

Yours sincerely,

John Kendall
Head Teacher / Prifathro
