July 2017

Dear Parent/Carer,

As the year draws to a close I would like to thank you for your continued support. You are probably aware that our school continues to grow, but even as we approach our capacity I am glad that we remain a relatively small school (650 is our limit) which allows us to retain our community ethos and the individual approach which is so important to us.

I would like to ask for your support next term in two specific areas.

Firstly, dropping off and collecting pupils. A number of people are still doing this at the front of the school by the pedestrian access. This is illegal (there are double yellow lines here,) and it is also potentially dangerous. The correct zone for this is the area behind the Leisure Centre. The Police are aware of this and will be monitoring the situation. With our total numbers now almost double what they were three years ago, there are too many vehicles in this area before and after school and I am anxious to avoid an accident.

Secondly, please ensure your child is in correct uniform from September. Please find the current list on the school website under the 'Parents' tab- and you will receive a copy in the post with this letter. The uniform was chosen following extensive consultation with the community. The only variation from the official list is that pupils may still choose to wear the anniversary tie they were given in January.

Finally I would like to wish you and your family a very pleasant summer break.

Yours sincerely,

A handwritten signature in black ink that reads 'J. Kendall'.

John Kendall

Head Teacher / Prifathro
