Dear Parent / Carer,

Dropping –off and collecting children from school by car

Please can I ask everyone who drops off and/or collects their child or children from school to avoid parking outside the front of the school?

This is beginning to cause us serious concerns, especially at the end of the day when pupils are leaving the campus in large numbers at 3.00pm. The area is a no parking zone; this is indicated by the road markings.

We have a collection and drop-off point behind the Leisure Centre (see picture) and I would politely request that you use this area instead.

We have had a number of comments from parents and the general public recently, most of which are expressions of concern about road safety rather than complaints. I should add finally that the Police are aware of the situation and it is likely they will be monitoring this over the next few weeks.

Yours sincerely,

John Kendall  
Head Teacher / Prifathro
