ONLINE VERSION

Dear Parent/Carer,

As the year draws to a close I would like to thank you for your continued support. We have continued to grow as a school, and I can now report we are very near capacity. We have made appropriate adjustments to the staffing both in terms of personnel and the leadership structure, and are also ensuring our classroom space is optimised to ensure all classes are taught in appropriate accommodation.

We have decided that from next term 'energy drinks' are not to be consumed in school. We need your support with this one, so please make sure your child is aware that this is the case, and we reserve the right to confiscate such drinks if they are brought onto school premises. They can be collected by parents, but will not be returned to pupils. The detrimental effect of these drinks when misused is well documented, many schools have already taken steps to ban them, and many shops now no longer sell them to under-18s.

Please note that the school has been a non-smoking site for some time now. Things have changed recently though, as this is now written into the law, so the consequences of breaking this rule may be more severe. Vaping is also forbidden. This covers the whole of the school campus, including car parks.

Term starts for all pupils on Wednesday 5th September. You can find details of the school calendar, parents' evenings and reports for the coming year on the school website under the 'Parents' tab. We expect all pupils to be in correct uniform from the first day back- the list is also available on the website. Remember the anniversary tie is no longer part of the uniform.

Finally I would like to wish you and your family a very pleasant summer break.

Yours sincerely,

John Kendall
