For many families, 2020 has already been very difficult.

Illnesses, lockdown, school closures, holidays cancelled, furlough, job losses and the list goes on.

Imagine having to cope with all of that and also the knowledge that you can't afford to buy food for your child's packed lunches, or their breakfasts, or evening meals!

As shocking as this seems; it is happening, right here and right now.

That's why The Centre at St Davids and Risca CV19 Volunteers have come together to support families in this school.

We know there is no magic wand, or simple answer, but together we can help.

If you or someone you know is struggling to put food on the table or in a lunch box, please contact us today.

We can supply fresh food in addition to the non-perishable items that Risca Foodbank can supply. Giving your family more choice, goodness and peace of mind.
