Dear Parents / Carers,

This is a polite request for those of you who drop children off by car in the morning or collect them at the end of the school day.

The designated area for this is behind the Leisure Centre- please see the area marked by the square on the plan below. This is a safe zone, away from the public thoroughfare. The area outside the school pedestrian entrance is potentially unsafe, and the road markings also make stopping here an infringement of the traffic regulations. At the present time a number of people are stopping here.

We do not want to be awkward but we are worried for the safety of the children. The increased number of pupils at the school has highlighted the risk.

Thank you for your co-operation with this matter.

Yours sincerely,

John Kendall
Head Teacher / Prifathro
