November 2015

Dear Former Pupil,

We recently welcomed back a former pupil to school who currently works at Channel Four as a news cameraman. He was able to share his experiences with a GCSE Media Studies class and it was a hugely successful event. The students were greatly enthused by the session and having an ex-Risca pupil back to talk with them about his career was truly motivational as well as fascinating.

I would be delighted to hear from anyone who would be prepared to do something similar- at a time that would suit you, of course. It doesn't matter what your role or career is, you may be at university, you may have had a number of jobs over the years. You might be happy to give an assembly or prefer just to talk with a small group of students.

If this is something you feel you could help with, please do get in touch. It is best to contact me directly on my school email address which is [kendaj@caerphilly.gov.uk](mailto:kendaj@caerphilly.gov.uk)

Have you joined our Alumni Network yet? If not please do so- there's no obligation and we are definitely not after your money! Just your support and encouragement is enough! Here's the link:

I hope all is well with you.

With best wishes,
